**INTRODUCTION**

**AIIMS, New Delhi**

All India Institute of Medical Sciences was established by an Act of parliament of 1956 as an autonomous institution of national importance and its objectives and functions were defined. By virtue of this Act, the Institute awards its own medical degrees, diplomas and other academic distinctions. The degrees and diplomas awarded by the Institute under the All India Institute of Medical Sciences Act are recognised medical qualifications for the purpose of the Indian Medical Council Act and notwithstanding anything contained in the Medical Council Act, are deemed to be included in the first schedule of that Act, entitling the holders to the same privileges as those attached to the equivalent awards from other universities of India.

The Institute (AIIMS, New Delhi) is a residential university in which the faculty members, staff and the students live on campus. There are 8 hostels for undergraduate students (6 for boys and 2 for girls) with a capacity to accommodate 850 students.

**Six other AIIMS**

Under the PradhanMantriSwasthyaSurakshaYojana six new All India Institutes of Medical Sciences have been established similar to AIIMS, New Delhi. Government of India has decided that the Academic Session for the current year in six New AIIMS at Bhopal, Patna, Jodhpur, Rishikesh, Raipur and Bhubaneswar will start in August 2014. The proposal is for an intake of 100 students for each of the institutions. The Ministry after deliberation took the view that for the second academic session (2014-2015), selection for admission should be done through the same entrance examination through which candidates are selected for AIIMS New Delhi. The Admission will be done on the basis of merit-cum-choice of the candidates.

**AIMS & OBJECTIVES**

**AIIMS, New Delhi**

The Prime concern of the Institute (AIIMS) is to develop patterns of teaching in undergraduate and postgraduate medical education in all the branches so as to demonstrate a high standard of medical education to all medical colleges and allied institutions in India. The other important objectives of the Institutes and are to bring together in one place educational facilities of the highest order for the training of personnel in all the important branches of health activities and to attain self-sufficiency in postgraduate medical education. The educational principles and practices being adopted are those which are the best suited to the needs of the country. Adaptation of education to meet the problems of community health is a major preoccupation. To this effect the AIIMS New Delhi been trying to initiate a model educational programme that has been undertaken in the Ballabgarh Community Development Block in collaboration with the Haryana Government. The Institute has also been able to initiate model educational programme in Community Medicine at the urban field practice area in Malviya Nagar, New Delhi. Emphasis is laid on the active learning process and on the cultivation of scholarly habits and scientific methods.

The first batch of undergraduate medical students was admitted to the AIIMS Delhi in the year 1956 and since then the Institute has been admitting 50 students every year (77 from 2008 session) to the M.B.B.S. Course. The number of students to this course is kept relatively small to ensure an adequate teacher student ratio. The undergraduate curriculum is constantly reviewed at the Faculty and Staff Council levels and the required changes in the curriculum are brought about in order to evolve a pattern which is the most suitable for the Indian needs and conditions. The undergraduate
medical students get sufficient impetus for higher studies as the Institute provides facilities for postgraduate degrees in almost all the branches of medical science. At present, the AIIMS Delhi is awarding post-graduate degrees in about 55 different specialities/super specialities.

**Six Other AIIMS**

Aims & objectives of the other six AIIMS like Institutes are also of similar nature as shown above for AIIMS, New Delhi. In the Six New AIIMS the admission for the second batch will be for 100 seats in each Institution. 1. In the counseling process, the seats to be filled by open (UR) competition would be filled up first, wherein the candidates should be called for counseling strictly by merit alone till the last unreserved seat is filled, irrespective of whether they belong to UR, SC, ST or OBC.

2. The counseling for reserved category seat (which will also be strictly by merit) would commence only after filling up of all the unreserved seats (i.e. open category seats).

If a meritorious reserved candidate belonging to SC/ST/OBC category, who has taken an unreserved seat in any institution after attending the open merit counseling, subsequently exercises his/her option to join a different institute in the reserved category counseling, the seat so vacated by this candidate would be available to next meritorious candidate belonging to that particular reserved category only. In other words if SC/ST/OBC candidate gets a seat in any institution under the unreserved category and if he/she opts different institution under reserved category of his/her choice the resultant vacated unreserved seat shall be allotted to same category candidate in order of merit. i.e. The vacated seat of meritorious reserved category candidate would be immediately added to the seats available under that reserved category in the institute he/she had opted during counseling for UR seat.

**Note**: For example - if a SC meritorious candidate who has initially opted a X institution from open category, vacates a seat in open category because he wants to take Y institution from reserved category during his counseling in reserved category, the same seat (i.e. UR seat of X institute) which is vacated by him/her shall be made available to the next SC candidate in order of merit.

3. For allocation of seats, candidates are required to be present in person. Candidates will exercise their choice of the Institute when called during the counseling as per their rank in respective category. Choice thus made will be final.
